Quote 146714.1 - INDUSTRIAL AUTOMATION SYSTEMS.pdf

Darrel

The attached quote has two separate options:

1. The \$6435.00 option keeps the lighting levels as is.
2. The \$8691.43 option brings the lighting level up to recommended standards for Aircraft maintenance.

My professional recommendation is Option 2 at \$8691.43. I hope this helps. Good luck with your meeting tonight.

Regards,
